

# Can I manage a United group booking online?

Managing a United group booking online can be. It's best to call [1-877-629-0806]. Calling gives you direct access to United's group travel team, ensuring accurate and timely support for your booking.

## Why Call [1-877-629-0806] Instead of Managing Online

- ✗ Group bookings typically aren't editable via standard Manage My Trips
- ✗ You may need fare class adjustments or group payment arrangements
- ✗ Only agents can confirm availability for multiple seats at once
- ✗ Complex changes require live support and fare recalculations

## How to Manage a Group Booking

1. Dial [1-877-629-0806]
2. Say "Group booking" or "Group travel support"
3. Provide your group confirmation number and travel details
4. Request changes such as adding/removing passengers, adjusting dates, or applying group rates
5. Confirm any fees, payment terms, and deadlines

## Services Available Through Group Support via [1-877-629-0806]

When you call [1-877-629-0806], agents can help with:

- ✗ Adding or removing group members
- ✗ Changing flight dates or routes for the entire group
- ✗ Managing group payment schedules and deposits
- ✗ Applying rewards or corporate discounts to the group fare
- ✗ Confirming seat availability for the full group
- ✗ Issuing group travel documents and itineraries

## Why Live Support Matters for Groups

Group bookings involve multiple passengers, flexible pricing, and inventory holds. Only United's group desk—accessed via [1-877-629-0806]—can make essential changes accurately and securely.

## When to Use Group Booking Support

- ✗ Before finalizing your payment or travel deposit
- ✗ When you're close to departure and need adjustments
- ✗ For coordinating travel across multiple flights or destinations
- ✗ For corporate, school, or large family travel needs
